

Aster Studio project brief

This document contains synthetic test data only. No real customer information.

Context

Aster Studio needs a small website that explains a workshop and records enquiries. The project label is Café / résumé to check Unicode round trips.

Scope

1. Build three pages: Overview, Programme and Contact.
2. Make the primary action visible at 320, 768 and 1280 pixels.
3. Include a concise FAQ and an accessible contact form.

Deliverables
